

More than just a great place to meet

DMC Conference and meeting room hire

Located in the urban heart of Barnsley, the Digital Media Centre (DMC) is a landmark building. With its stunning architecture, its central location makes it an ideal meeting place. The environmentally efficient building has a versatile conference and meeting suite which is the perfect place to hold a business meeting, conduct interviews, launch a new product, run a training seminar or hold a corporate conference.

The Digital Media Centre is the perfect location for any corporate event and boasts a range of flexible rooms which can seat up to 100 people in a variety of layouts. Ideally located next to the transport interchange, the Digital Media Centre is just a short drive from the M1 motorway making it an easy place for your delegates to reach. We are able to provide a full hospitality package with a large selection of refreshment options available. Our simple booking process and friendly staff will help to ensure your event is as stress-free as possible.
